**Golfing Island Style!**

Our Ontario Canada broker, Hutcheson Sand & Mixes invited Rob Sidley and Eric Ludewig for a round of golf at Bigwin Island Golf Club in Lake of Bays, ON, Canada. Bigwin recently completed their bunker renovation using our Pro/Angle Bunker Sand.

Bigwin Island is a truly unique golf experience as players must be brought to and from the island by boat. The wooded rolling terrain and vistas create a stunning backdrop to a course meticulously maintained by Superintendent Kevin Schultz.

Bigwin Island presented unique logistical challenges as the Pro/Angle had to be brought to the island using a combination of long haul trucks and barges.
